Modi Public School, Siliguri was established in 2014 by Nangalia Pokarmal Educational Society with a dream to encourage children to give their best in an attempt to realise their dreams. Since its inception, the school has stressed on both scholastic and co-scholastic activities as both the aspects are inseparable. The school justly provides an infrastructure where children can hone their skills in art & craft, dance, music, culinary, games *etc.*

The school has a library with a good collection of books and every year there is an addition in its number as per requirement. The laboratories – computer, physics, chemistry, biology and mathematics, are well-equipped and as per the standard prescribed by the Board. The music, dance, art & craft and culinary studios are also well-equipped.

The school's vision is to work in partnership with the students, parents and the community at large to create a positive and inclusive environment for high quality learning and teaching where everyone is valued and respected.

The mission of the school is to provide equal opportunity to the children to hone their skills. To retain smiles on their faces, to develop a mind that is curious and inquisitive and a sensitivity that makes them humane in thought, word and deed. The focus is on “learning beyond the classroom”.

The institution has a clear understanding of the present-day scenario and every care is taken to provide an environment to the students where they can learn without any fear and restrictions. The school is highly sensitive towards gender issues and takes utmost care so that no form of discrimination exists in the school campus.

The resources available with the school collected through fees takes care of the needs of the school - be it the salaries of the staff or upgrading the infrastructure of the school. The Trust, is benevolent towards the motto of spreading knowledge and as per the budget plan prepared by the SMC, funds projects wherever needed.

The school has classes from Balvatika¹ (Nursery) to 12. The subjects covered at different grades are –

The distribution of classes for each scholastic subject is based on modules prescribed from time to time by the Board. Due weightage has been given to dance, music, art & craft, culinary and games. While distributing the classes every care is being taken to see to it that languages – first and second and mathematics are conducted every day.

The syllabus of the different subjects for the different classes have been fragmented in such a way that the students learn at their own pace and are in a position to comprehend the essence of the subjects at the end of the year. Syllabus of different classes for 2025-26 have been uploaded on school's website.

“Know Your Aptitude” test, introduced by the Board for the students of senior classes in order to guide the students and parents with respect to course of streams or selection of subjects at +2 level and beyond are conducted annually for the students of classes 10 and 12.

The school's Health & Wellness Teacher takes care of the mental health and behavioural issues of the children and guides them in consultation with their parents, wherever needed.

Teachers' Training

The school is implementing and will implement the different initiatives being taken up by the Centre of Excellence, CBSE, Bhubaneswar Region. The professional development programmes conducted for the principals and the teachers will be completed as per the directives. The unique IDs created by COE, Bhubaneswar Region, for the teachers of the school to attend different courses organised by it will help the school immensely. The teachers also completed the courses on experiential learning and competency-based education. The Computer Department of the school is helping and guiding the teachers in integrating AI with the syllabus.

Academic achievement

Annual examination 2024-25 was conducted in a proper way. Academic Excellence Awards will be handed over to the students on 15 August, 2025.

The CBSE-10 & 12 examination results for 2025 are satisfactory. Aaronyo Chakraborty's aggregate was 97% and Nischal Garg's aggregate was 98.4% in 12 & 10 respectively.

Environmental Education

Earth Day was celebrated on 22.04.25. To celebrate the Day the students of classes Nursery to 4 participated in different hands-on activities wherein the children learnt how to Reuse & Recycle our goods. The children also demonstrated on stage the ill-effects of deforestation.

The entire school has now been converted into a green campus with mostly indigenous fruit and wood trees.

Sports Achievement

Our athletics team participated in the Cluster Meet at Bhubaneswar, Odisha. Trisha Roy - U17 Girls, Long Jump : 1st Position and 100 m : 3rd Position, got an opportunity to participate in the CBSE National Meet held at Varanasi, UP, in the month of October 2024.

The school organised the NBSSC Inter-School Badminton Tournament 2025 on 18.01.25. 43 shuttlers from 11 CBSE schools participated in the tournament.

Role of SMC

All the classes are AV ready and has helped in making the teaching-learning process more interactive. Every nook and corner of the school campus is under CCTV surveillance. Spacious dance, music & culinary studios have been added on the 2nd floor for better ambience. Rest of the covered 2nd floor is available for carrying out different activities during the rains.
